

Inaugural Event Grupo Siro Foundation Award for Agri-food Research

MEMBERS OF JURY

PRESIDENT: Lucía Urbán López. Vice-president of Grupo Siro Foundation.

SECRETARY: José Antonio Alonso González. Secretary of Grupo Siro Foundation

MEMBERS:

- **Juan Ignacio de Antonio Senovilla.** Agriculture Secretary at UPA (*Unión de Pequeños Agricultores y Ganaderos*) [Union of Small Farmers and Livestock Breeders].
- **María Luisa Ballesteros Jareño.** Technical Councilor at the Directorate-General of Farming Production and Markets of the Ministry of Agriculture, Food and Environmental Affairs and Head of the Fertilizers and Integrated Production Department.
- **Alejandro Castilla Bonete.** Technical Agricultural Engineer, Bachelor of Oenology. Specialist technician at the *Centro IFAPA Rancho de la Merced*. Coordinator of the experimental networks of extensive rain-fed arable crops in Andalusia.
- **Antonio Catón Vázquez.** Agricultural engineer. Director of Arable Crops at *Cooperativas Agro-alimentarias* [Agri-food Cooperatives].
- **José Ramón Díaz García.** Agricultural engineer. Director of Technical Services at ASAJA (*Asociación Agraria de Jóvenes Agricultores*) [Young Farmers Farming Association]. Professor of Arable Crops at the University School of Technical Agricultural Engineers of the Polytechnic University of Madrid.
- **José García Reverter.** Currently, and since 2010, Director of R&D+i at the AINIA technology centre. Member of the panel for the 1st BTA Awards 2015 and the Scientific Committee of the Food Engineering Conference in 2013 and 2015.
- **Manuel Gómez Pallarés.** Agricultural engineer, Doctor of Food Technology. Full university professor at the Food Technology Department of the Higher Technical School of Agricultural Engineering of Palencia, University of Valladolid.
- **Antonio Michelena Bárcena.** Professor at the Higher Technical School of Agricultural Engineers of the University of Lleida (ETSEA).
- **José Luis Miguel de Diego.** Agricultural engineer specializing in Farming Economics. National Technical Director at COAG (*Coordinadora de Organizaciones de Agricultores y Ganaderos*) [Farmer and Agriculture Organization Coordinator].
- **Cristina Molina Rosell.** Research professor at the Institute of Agro-chemistry and Food Technology of the National Scientific Research Council (IATA-CSIC). Associate professor at the University of Valencia.
- **Francisco José Morales Navas.** Doctor of Chemical Science from the Autonomous University of Madrid. He is currently a Scientific Researcher at the Institute of Food and Nutrition Science and Technology (ICTAN) of the National Scientific Research Council (CSIC) and Head of the Research Group on Chemical Modifications in Processed Foods.

FUNDACIÓN GRUPO SIRO

- **Sergio Moreno Pérez.** Research Professor at the National Scientific Research Council (CSIC). Director of the Institute of Functional and Genomic Biology (IBFG).
- **David Rodríguez Lázaro.** Bachelor of Veterinary Science and Bachelor of Food Science and Technology from the University of Leon, and Doctor of Biotechnology from the University of Gerona. He is currently Head of the Food Safety Research Group at the Technological Farming Institute of Castile-Leon (ITACyL) and Associate Professor of Microbiology at the University of Burgos.
- **Ignacio Romagosa Clariana.** Full Professor of Crop Production at the University of Lleida. Director of the Zaragoza Mediterranean Agricultural Institute. Manager of the Agri-food Department of the Ibero-American Science and Technology for Development Program (CYTED).
- **Jordi Rovira Carbadillo.** Doctor of Cellular and Molecular Biology from the University of Navarre in 1989. Professor of Food Technology at the University of Burgos from 1993 to date.
